

# TALENT +

## Jackie Dack, Experienced Performance Coach

Jackie Dack delivers highly effective training in public speaking and interview skills.

With a background in theatre, Jackie uses her specialist experience to help non-theatre people who want to give excellent presentations, to perform well in meetings and interviews, to speak out, and to enjoy making great social connections.

Jackie partners with individuals and organisations to lower anxiety, build personal resilience, and add flair and pizzazz to what they do.
