

Sharon Bourne, Eco System Manager,
Barclays Eagle Labs

Sharon has been employed with Barclays for 16yrs starting as Cashier Personal Banker then Small Business Manager, currently in role as Eco System Manager for the Barclays Eagle Labs. Sharon's lab base is in Hull in C4DI, and she covers Northallerton.

In her previous role as Small Business Manager, Sharon opened business accounts for businesses that turned over under 400k all kinds of start ups and switchers from joiners and builders to software developers and consultants etc.

This role has given Sharon a wealth of knowledge to support business customers and their needs. Her new role as Eco System Manager gives Sharon the chance to support start-ups and SME businesses. Mainly tech to grow and scale up access the Eco System and Barclays Eagle Labs programmes and mentors.
